PROFESSIONAL EXPERIENCE

Coder Foundry, Web Software Engineer

Remote · September 2020 – December 2020

- Created two primary projects, including:
 1. A portfolio and blog site using C#, MVC, HTML5, CSS3, Bootstrap, JS & jQuery.
 2. Fully designed and developed a multi-functional issue tracker web application, implementing enhanced roles & security, including a Code-First relational database designed and modeled in PostgreSQL. Technologies used include: .Net Core v3.1, MVC6, C#, LINQ, PostgreSQL, Entity Framework, Docker, PgAdmin, Heroku and jQuery DataTables.

Chick-Fil-A, Shift Lead

September 2019 - September 2020

- Interacted with customers to provide a satisfactory dining experience from order to reception.
- Oversaw team to ensure smooth daily operation.
- Responsible for ensuring every detail of daily closing has been fulfilled as per company policy.

Amazon, Warehouse & Delivery Associate

November 2018 - June 2020

- Worked within a team of associates to exceed standards of connecting customers with their products
- Trained to fill the revolving needs of the station on any given day.
- Adhered to company policies and on-road regulations while meeting delivery standards in a high stress, high expectation environment.
- Coordinating with the Transportation Operations Center to problem solve and ensure maximum delivery success.

Feed the Hungry, Lead Coordinator (Volunteer)

October 2018 – Present

- Responsible for training and overseeing a fluctuating volunteer base of around 20 people in food handling and related duties.
- Organizing and managing weekend activities ranging from 1 to 2 each weekend, serving approximately 40 people
